# If The Shoe Fits?

"Story of The Lost Shoes"

A Writing and Illustrating Contest — Pre-K to Eighth Grade

Imagine... you or your character is in the library and finds a pair of shoes. What do they look like? Where did they come from? Did they fall off a book shelf? Tumble out of a novel or maybe a picture book? Did somebody kick them off while they were being chased by a wild beast or something else? Who left them there? Will you or your character try them on or will the shoes start moving on their own? Use your imagination and write or illustrate a story about these very special shoes.

(Songs and poems are accepted too)
